**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 3, 2016**

To the Stockholders of Adamas Pharmaceuticals, Inc.:

The 2016 Annual Meeting of Stockholders, or the 2016 Annual Meeting, of Adamas Pharmaceuticals, Inc., a Delaware corporation, or the Company, will be held on June 3, 2016 at 8:00 a.m. local time at the Hilton Garden Inn, 1800 Powell Street, Emeryville, California 94608 for the following purposes:

1. To elect two Class II directors to hold office until the 2019 Annual Meeting of Stockholders or until their successors are elected;
2. To ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2016; and
3. To transact such other business as may properly come before the 2016 Annual Meeting or any adjournment or postponement thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice. Only stockholders who owned the Company's common stock at the close of business on the record date, April 5, 2016, may vote at the 2016 Annual Meeting or any adjournments that take place.

We have elected to provide our proxy materials to our stockholders over the Internet as permitted by the rules of the U.S. Securities and Exchange Commission. As a result, we are mailing most of our stockholders a paper copy of the Notice of Internet Availability of Proxy Materials, or the Notice, but not a paper copy of our proxy statement and our 2015 Annual Report to Stockholders. This process allows us to provide our proxy materials to our stockholders in a timelier and more readily accessible manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials. The Notice contains instructions on how to access those documents over the Internet. The Notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our 2015 Annual Report to Stockholders and a form of proxy card or voting instruction card. All stockholders who have previously requested a paper copy of our proxy materials will continue to receive a paper copy of the proxy materials by mail.

You are cordially invited to attend the 2016 Annual Meeting in person. Whether or not you plan to attend the 2016 Annual Meeting, please vote as soon as possible. You may vote over the Internet or by a toll-free telephone number. If, however, you requested to receive paper proxy materials, then you may vote by mailing a complete, signed and dated proxy card or voting instruction card in the envelope provided with the proxy card. Please note that any stockholder of record attending the 2016 Annual Meeting may vote in person, even if the stockholder has already returned a proxy card or voting instruction card. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

Our Board of Directors recommends that you vote **"FOR"** the election of the director nominees named in Proposal No. 1 of the proxy statement and **"FOR"** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm as described in Proposal No. 2 of the proxy statement.

By Order of the Board of Directors:

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 3, 2016**

**IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS
FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 3, 2016**

This proxy statement and our 2015 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, are available at our website at <http://ir.adamaspharma.com/annualsproxies.cfm> and www.proxyvote.com.

QUESTIONS AND ANSWERS REGARDING THE PROXY MATERIALS AND THE VOTING PROCESS

Why am I receiving these proxy materials?

We have made these proxy materials available to you on the Internet or, upon your request, have delivered paper proxy materials to you, because the Board of Directors of Adamas Pharmaceuticals, Inc., or the Company, is soliciting your proxy to vote at the 2016 Annual Meeting of Stockholders, or the 2016 Annual Meeting, or any adjournments that take place. The 2016 Annual Meeting will be held on June 3, 2016 at 8:00 a.m. local time at the Hilton Garden Inn, 1800 Powell Street, Emeryville, California 94608. As a stockholder, you are invited to attend the 2016 Annual Meeting and are requested to vote on the proposals described in this proxy statement. However, you do not need to attend the 2016 Annual Meeting to vote.

What is included in the proxy materials?

The proxy materials include:

- This proxy statement, which includes information regarding the proposals to be voted on at the 2016 Annual Meeting, the voting process, corporate governance, the compensation of our directors and certain executive officers, and other required information;
- Our 2015 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2015; and
- The proxy card or a voting instruction card for the 2016 Annual Meeting (which you will receive if you have requested paper copies of the proxy statement and our Annual Report).

The proxy materials are being mailed, or made available to stockholders on the Internet, on or about April 18, 2016.

Why did I receive a Notice of Internet Availability of Proxy Materials, or the Notice, in the mail instead of a complete set of paper proxy materials?

We have elected to provide our proxy materials to our stockholders over the Internet as permitted by the rules of the U.S. Securities and Exchange Commission, or SEC. As a result, we are mailing most of our stockholders a paper copy of the Notice, but not a paper copy of the proxy materials. This process allows us to provide our proxy materials to our stockholders in a timelier and more readily accessible manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials. The Notice contains instructions on how to access the proxy materials over the Internet, and how to request a paper copy of the proxy materials. All stockholders who have previously elected to

receive a paper copy of our proxy materials will continue to receive a paper copy of the proxy materials by mail until the stockholder terminates such election.

Why did I receive a complete set of paper proxy materials in the mail instead of a Notice of Internet Availability of Proxy Materials?

We are providing stockholders who have previously requested to receive paper copies of the proxy materials with paper copies of the proxy materials instead of the Notice. If you would like to reduce the environmental impact and the costs incurred by us in printing and distributing the proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet. To sign up for electronic delivery, please follow the instructions provided with your proxy materials and on your proxy card or voting instruction card.

Who can vote at the 2016 Annual Meeting?

Only stockholders of record at the close of business on April 5, 2016 will be entitled to vote at the 2016 Annual Meeting. On this record date, there were 21,473,236 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, at the close of business on April 5, 2016, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the 2016 Annual Meeting or vote by proxy. Whether or not you plan to attend the 2016 Annual Meeting, please vote as soon as possible by completing and returning a proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, at the close of business on April 5, 2016, your shares were not held in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the 2016 Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent how to vote the shares in your account. You are also invited to attend the 2016 Annual Meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the 2016 Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What proposals are scheduled for a vote?

There are two proposals scheduled for a vote at the 2016 Annual Meeting:

- Proposal No. 1—To elect two Class II directors to hold office until the 2019 Annual Meeting of Stockholders or until their successors are elected; and
- Proposal No. 2—To ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016.

How do I vote?

For Proposal No. 1, you may either vote “**FOR**” all nominees to the board of directors or you may “**WITHHOLD**” your vote for any nominee you specify. For Proposal No. 2, you may either vote “**FOR**” or “**AGAINST**” or you may abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the 2016 Annual Meeting or vote by proxy by telephone or Internet or by mail. Whether or not you plan to attend the 2016 Annual Meeting, please vote as soon as possible to ensure your vote is counted. You may still attend the 2016 Annual Meeting and vote in person even if you have already voted by proxy.

- **To vote in person.** You may attend the 2016 Annual Meeting and we will give you a ballot when you arrive. If you need directions to the meeting, please visit <http://ir.adamaspharma.com/annuals-proxies.cfm>.
- **To vote by proxy by telephone or Internet.** If you have telephone or Internet access, you may submit your proxy by following the instructions provided in the Notice, or if you received paper proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.
- **To vote by proxy by mail.** If you received paper proxy materials, you may submit your proxy by mail by completing and signing your proxy card and mailing it in the envelope you will receive with the proxy card. Your shares will be voted as you have instructed.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, dealer, or other similar organization, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or other agent. To vote in person at the 2016 Annual Meeting, you must obtain a valid proxy from your broker or other agent. Follow the instructions from your broker or other agent included with these proxy materials, or contact your broker or bank to request a proxy form.

Can I vote my shares by completing and returning the Notice?

No. The Notice will, however, provide instructions on how to vote by telephone, by Internet, by requesting and returning a paper proxy card or voting instruction card, or by submitting a ballot in person at the 2016 Annual Meeting.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of the Company's common stock you owned as of April 5, 2016.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **"FOR"** the election of each nominee for director (Proposal No. 1) and **"FOR"** the ratification of the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016 (Proposal No. 2). If any other matter is properly presented at the 2016 Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We are making this solicitation and will pay for the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials. In addition to these mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors, officers and employees will

not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the reasonable cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign, and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the 2016 Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of four ways:

- You may submit another properly completed proxy with a later date.
- You may send a timely written notice that you are revoking your proxy to the Company's Corporate Secretary, Adamas Pharmaceuticals, Inc., 1900 Powell Street, Suite 750, Emeryville, CA 94608.
- You may attend the 2016 Annual Meeting and vote in person. Simply attending the 2016 Annual Meeting will not, by itself, revoke your proxy.
- You may grant a subsequent proxy by telephone or through the Internet.

If your shares are held by your broker or other agent, you should follow the instructions provided by your broker or agent.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present or represented by proxy at the 2016 Annual Meeting. On the record date, there were 21,473,236 shares outstanding and entitled to vote. Accordingly, the holders of 10,736,619 shares, or their proxies, must be represented at the 2016 Annual Meeting to have a quorum. If you are a stockholder of record, your shares will be counted toward the quorum at the 2016 Annual Meeting only if you vote in person at the meeting, or you submit a valid proxy vote.

Abstentions and broker non-votes (as described below) will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present and entitled to vote at the meeting in person or represented by proxy may adjourn the 2016 Annual Meeting to another date.

How are votes counted?

Votes will be counted by the Inspector of Elections appointed for the 2016 Annual Meeting. The Inspector of Elections will separately count "FOR," "WITHHOLD," and broker non-votes, if any, for Proposal No. 1 (the election of directors) and "FOR" and "AGAINST" votes, abstentions, and broker non-votes, if any, for Proposal No. 2 (the ratification of the selection of PricewaterhouseCoopers LLP as the independent registered accounting firm of the Company for the fiscal year ending December 31, 2016).

If your shares are held by your broker or other agent as your nominee (that is, held beneficially in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker or other agent to vote your shares. If you do not give voting instructions to your broker or other agent, your broker or other agent can only vote your shares with respect to "routine" matters (as described below).

What are “broker non-votes”?

If you hold shares beneficially in “street name” and do not provide your broker with voting instructions your shares may constitute “broker non-votes.” Broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner. These matters are referred to as “non-routine” matters. Proposal No. 1 to elect directors is a “non-routine” matter, but Proposal No. 2 to ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2016, is a “routine” matter. Broker non-votes will not be counted toward the vote total for any proposal at the 2016 Annual Meeting.

How many votes are needed to approve each proposal?

- Proposal No. 1—To elect two Class II directors to hold office until the 2019 Annual Meeting of Stockholders or until their successors are elected. The two nominees receiving the most “**FOR**” votes (from the votes of shares present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Broker non-votes will not be counted towards the vote total for this proposal.
- Proposal No. 2—To ratify the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016. “**FOR**” votes from the holders of a majority of the shares present and entitled to vote are required to approve this proposal. Because Proposal No. 2 is considered a “routine” matter, no broker non-votes are expected in connection with this proposal.

How can I find out the results of the voting at the 2016 Annual Meeting?

We will disclose final voting results in a Current Report on Form 8-K filed with the SEC within four business days after the 2016 Annual Meeting. If final voting results are unavailable at that time, then we intend to file a Current Report on Form 8-K to disclose preliminary voting results and file an amended Current Report on Form 8-K within four business days after the date the final voting results are available.

When are stockholder proposals due for next year’s annual meeting?

To be considered for inclusion in the 2017 proxy materials, your proposal must be submitted in writing by December 19, 2016, to the Company’s Secretary at Adamas Pharmaceuticals, Inc., 1900 Powell Street, Suite 750, Emeryville, California 94608, and you must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended. However, if our 2017 Annual Meeting of Stockholders is held is more than 30 days before or after June 3, 2017, then the deadline will be a reasonable time prior to the time that we make our proxy materials available to our stockholders, either online or in printed form.

If you wish to submit a stockholder proposal or nominate a director at the 2017 Annual Meeting of Stockholders that is not to be included in the proxy materials for that meeting, then you must follow the procedures set forth in our bylaws and, among other things, notify the Company’s Corporate Secretary in writing between February 3, 2017, and March 5, 2017. However, if the date of the 2017 Annual Meeting of Stockholders is more than 30 days before or after June 3, 2017, then you must give notice no earlier than the 120th day prior to but not later than the 90th day prior to that meeting or, if later, the 10th day following the day on which public disclosure of that annual meeting date is first made. You are also advised to review our bylaws, which contain additional requirements regarding advance notice of stockholder proposals and director nominations.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our Board of Directors recommends you vote for the election of our Class II directors, Gregory T. Went, Ph.D. and Richard Booth. Ms. Grootwassink Lewis has decided not to stand for re-election. Ms. Grootwassink Lewis will remain a director until our 2016 annual meeting, at which time the size of the Board will be reduced to seven immediately following the election of directors. Our Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Except as otherwise provided by law, vacancies on the Board of Directors may be filled only by individuals elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy in a particular class, including a vacancy created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until such director's successor is elected and qualified, or until such director's earlier death, resignation, or removal.

Our Board of Directors currently consists of eight directors and no vacancies, divided into the three following classes:

- The Class I directors are William Ericson, Martha Demski, and Ivan Lieberburg, M.D., Ph.D., and their terms will expire at the 2018 Annual Meeting;
- The Class II directors are Gregory T. Went, Ph.D., Sara Grootwassink Lewis, and Richard Booth, and their terms will expire at the 2016 Annual Meeting of Stockholders; and
- The Class III directors are David Mahoney and John MacPhee and their terms will expire at the 2017 Annual Meeting of Stockholders.

Our current Class II directors, other than Ms. Grootwassink Lewis, have been nominated to serve as Class II directors and have agreed to stand for election. If the nominees for Class II directors are elected at the 2016 Annual Meeting, then each nominee will serve for a three-year term expiring at the 2019 Annual Meeting of Stockholders, or until his or her successor is elected and qualified, or until his or her earlier death, resignation or removal.

Our directors are elected by a plurality of the votes cast. If a choice is specified on the proxy card by a stockholder, the shares will be voted as specified. If a choice is not specified on the proxy card, and authority to do so is not withheld, the shares will be voted **"FOR"** the election of the two nominees for Class II above. If any of the nominees becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for the nominee will instead be voted for the election of a substitute nominee proposed by the Company's management or the Board of Directors. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve. Our Board of Directors and management encourage each nominee for director and each continuing director to attend the 2016 Annual Meeting.

**THE BOARD OF DIRECTORS RECOMMENDS
A VOTE "FOR" PROPOSAL NO. 1.**

The Nominating and Corporate Governance Committee seeks to assemble a Board of Directors that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct our business. To that end, the Nominating and Corporate Governance Committee has identified and evaluated nominees in the broader context of the Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment, and other qualities that the Nominating and Corporate Governance Committee views as critical to effective functioning of the Board of Directors. The brief following biographies below include the specific and particular experience, qualifications, attributes, or skills of each director or nominee that led the Nominating and Corporate Governance Committee to recommend that person as a nominee.

CLASS I DIRECTORS—*To continue in office until the 2018 Annual Meeting of Stockholders*

PROPOSAL NO. 2
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected, and our Board of Directors has affirmed the selection of, PricewaterhouseCoopers LLP, or PwC, as our independent registered public accounting firm for the year ending December 31, 2016, and is seeking ratification of such selection by our stockholders at the 2016 Annual Meeting. PwC has audited our financial statements for the fiscal years ended December 31, 2015 and 2014. Representatives of PwC are expected to be present at the 2016 Annual Meeting and will be available to answer appropriate questions.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of PwC as our independent registered public accounting firm. However, we are submitting the selection of PwC to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain PwC. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

The affirmative vote of a majority of the shares present and entitled to vote at the 2016 Annual Meeting will be required to ratify the selection of PwC.

CORPORATE GOVERNANCE

Director Independence

Under the listing requirements and rules of The NASDAQ Global Market, independent directors must comprise a majority of a listed company's board of directors within a specified period of time after its initial public offering.

Our Board of Directors has undertaken a review of its composition, the composition of its committees, and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment, and affiliations, including family relationships, our Board of Directors has determined that all members of our Board of Directors do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the applicable rules and regulations of the SEC, and the listing requirements and rules of The NASDAQ Global Market except Dr. Went, an employee, and Mr. MacPhee, a consultant commencing in February 2016. After prior review of the terms under our related party transaction policy, we have retained Mr. MacPhee on an interim basis to provide advice in preparation of commercial activities. In making this determination, our Board of Directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. Upon Mr. MacPhee's completion of his interim consultancy services, his independence status will be re-evaluated under the applicable NASDAQ rules.

Board Leadership Structure

Our Board of Directors is currently led by a combined Chairman of the Board and Chief Executive Officer. Our Board of Directors believes that this leadership structure is the most effective for us at this time. Because our Chief Executive Officer is closest to the many facets of our business, our Board of Directors believes that the Chief Executive Officer is in the best position to lead our Board of Directors most effectively and, accordingly, to serve in the critical role of Chairman of the Board. In addition, as the Chief Executive Officer is directly involved in managing the Company, having a chairman who also serves as chief executive officer facilitates timely communication with the board on critical business matters. Furthermore, we believe that this combined leadership structure is appropriate for our company because (i) our Chairman and Chief Executive Officer conveys a singular, cohesive message to our stockholders, employees, industry partners, and the investment community and (ii) this structure eliminates any ambiguity as to who is accountable for the Company's performance. Our directors and management team engage frequently and directly in the flow of information and ideas and we believe our combined leadership structure facilitates the quality, quantity, and timeliness of the information flow and communication. Our Board of Directors believes that there is a well-functioning and effective balance between strong company leadership and oversight by active, independent directors.

Lead Independent Director

Our Board of Directors has appointed Mr. Mahoney to serve as our lead independent director. As lead independent director, Mr. Mahoney presides over periodic meetings of our independent directors, serves as a liaison between our Chairman and the independent directors and performs such additional duties as our Board of Directors may otherwise determine and delegate.

Meetings of the Board of Directors and Committees

During 2015, the Board of Directors met seven times, the Audit Committee met ten times, the Compensation Committee met six times, and the Nominating and Corporate Governance Committee met two times. In 2015, each director attended at least 75% of the meetings of the Board of Directors and the committees on which he or she served.

Board committees

Our Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board of Directors may establish other committees to facilitate the management

Committee Charters

The Board has adopted written Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee charters that are available to stockholders on our website at www.adamaspharma.com.

Role of the Board in Risk Oversight

Our Board has responsibilities and takes an active role, as a whole and also at the committee level, to monitor and assess major risks that we face and consider ways to oversee management to address those risks. The Board's role in our risk oversight process involves obtaining regular reports from management on areas of major risk, including operational, financial, legal and regulatory, and strategic risks. The Audit Committee of the Board of Directors is primarily responsible for overseeing our risk management processes on behalf of the Board of Directors. The Audit Committee receives reports from management at least quarterly regarding our assessment of risks. In addition, the Audit Committee reports regularly to the Board of Directors, which also considers our risk profile. The Audit Committee and the Board of Directors focus on the most significant risks we face and our general risk management strategies. While the Board of Directors oversees our risk management, management is responsible for day-to-day risk management processes. Our Board of Directors expects management to consider risk and risk management in each business decision, to proactively develop and monitor risk management strategies and processes for day-to-day activities, and to effectively implement risk management strategies adopted by the Audit Committee and the Board of Directors. We believe this division of responsibilities is the most effective approach for addressing the risks we face and that our Board of Directors' leadership structure, which also emphasizes the independence of the Board of Directors in its oversight of its business and affairs, supports this approach.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our website at www.adamaspharma.com. We disclose any amendments to the code, or any waivers of its requirements, on our website to the extent required by the applicable rules and exchange requirements. The inclusion of our website address in this proxy statement does not incorporate by reference the information on or accessible through our website into this proxy statement.

Director Attendance at Annual Meetings

Our Board of Directors has a policy of encouraging director attendance at our annual meetings of stockholders, but attendance is not mandatory. Our Board of Directors and management team encourage all of our directors to attend the 2016 Annual Meeting.

Stockholder Communications with the Board of Directors

A stockholder may communicate with the Board of Directors, or an individual director, by sending written correspondence to the Company's Corporate Secretary at 1900 Powell Street, Suite 750, Emeryville, California 94608. The Corporate Secretary will review such correspondence and forward it to the Board of Directors, or an individual director, as appropriate. Although we do not have a formal process related to stockholder communications with the Board of Directors, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has ever been an officer or employee of the Company. None of our executive officers serve, or have served during the last fiscal year, as a member of the board of directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our Board of Directors or on our Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED PERSONS TRANSACTIONS

Other than the compensation arrangements described elsewhere in this proxy statement, we describe below transactions and series of similar transactions, since January 1, 2015, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers, or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Compensation arrangements for our directors and named executive officers are described elsewhere in this proxy statement.

Investor Rights Agreement

We are party to an investor rights agreement with certain stockholders, including holders of 5% of our capital stock and entities affiliated with certain of our directors, with registration rights, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we are otherwise filing.

Indemnification agreements

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors, and our bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our amended and restated certificate of incorporation and bylaws also provide our Board of Directors with discretion to indemnify our officers and employees when determined appropriate by the Board of Directors. In addition, we have entered and expect to continue to enter into agreements to indemnify our directors and executive officers. For more information regarding these agreements, see the section of this proxy statement entitled “Executive Compensation—Limitations on liability and indemnification matters.”

Policies and procedures for related party transactions

Our Board of Directors adopted a policy, effective upon the closing of our initial public offering, that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the prior consent of our Audit Committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons in which the amount involved exceeds \$25,000 and such person would have a direct or indirect interest must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person’s interest in the transaction. Prior to our initial public offering and for those transactions described above in that timeframe, we did not have a formal review and approval policy for related party transactions. However, all of the transactions described above under “Certain Relationships and Related Persons Transactions” were entered into after presentation, consideration and approval by our Board of Directors.

NON-EMPLOYEE DIRECTOR COMPENSATION

Our Board of Directors adopted a compensation policy in April 2014 for our non-employee directors. Under this policy, each of our non-employee directors is paid \$30,000 as an annual cash retainer, which was increased to \$35,000 in March 2016. Our lead independent director receives an additional annual cash payment of \$15,000. Dr. Went, who is also an employee, is compensated for his service as an employee and does not receive any additional compensation for his service on our Board of Directors.

Annual fees are also paid to our directors who chair our board committees and to committee members, as follows:

Committee	Annual Chair Fee	Annual Member Fee
Audit Committee	\$ 15,000	\$ 7,500
Compensation Committee	\$ 10,000	\$ 5,000
Nominating and Corporate Governance Committee	\$ 7,000	\$ 3,500
Development Committee	\$ 7,500	\$ 5,000

Our non-employee directors also receive an initial equity award upon commencement of service as a board member; thereafter, each non-employee director will receive an annual equity retainer. Currently, the form of award in each case will be a non-qualified stock option. The initial award is an option to purchase 30,000 shares of our common stock that vests annually over three years of service. Each subsequent annual award will be an option to purchase 15,000 shares (increased on a pro rata basis for the annual grant at the 2015 Annual Meeting, adjusted for the period since the prior grant), of our common stock that will vest after one year of service. Additionally, upon the closing of a change of control, the vesting of all outstanding equity awards held by our non-employee directors will accelerate in full.

The following table shows for the fiscal year ended December 31, 2015 certain information with respect to the compensation of all non-employee directors:

EXECUTIVE COMPENSATION

The following is a discussion and analysis of compensation arrangements of our named executive officers, or NEOs. This discussion contains forward-looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. Actual compensation programs that we adopt may differ materially from currently planned programs as summarized in this discussion. As an “emerging growth company” as defined in the Jumpstart our Business Startups Act of 2012, we are not required to include a Compensation Discussion and Analysis section and have elected to comply generally with the scaled disclosure requirements applicable to emerging growth companies.

Our Compensation Committee, appointed by our Board of Directors, is responsible for establishing, implementing and monitoring our compensation philosophy and objectives. Our compensation philosophy strives to align the interests of our employees and board members with those of our stockholders. As part of this philosophy, we emphasize equity over cash compensation. Compensation of our executives has three basic components: a base salary, a cash bonus based primarily on achievement of corporate goals, and an award of stock options. We seek to ensure that the total compensation paid to our executive officers is reasonable and competitive.

Our NEOs for fiscal year 2015 were as follows: Gregory T. Went, Ph.D., Rajiv Patni, M.D., and Jeffrey Knapp.

Executive Compensation Narrative

For 2015, the principal components of the Company’s executive compensation program consisted of base salary, annual cash bonus, and equity incentives.

Offer letters

We currently do not have employment agreements with any of our executive officers. All of our executive officers are employed on an “at will” basis, with no fixed term of employment, pursuant to the terms of their respective offer letters. Certain material terms of each executive officer’s employment is described below. Each offer letter also contains standard terms related to paid time off and participation in our employee benefit plans, and in addition, requires execution of our form of confidential information and proprietary information agreement.

Gregory T. Went, Ph.D. For 2015, Dr. Went’s annual base salary was \$425,000, which was increased to \$450,000, effective as of January 1, 2016. Under our cash bonus program, Dr. Went is eligible to receive a target bonus of up to 50% of his base salary.

Rajiv Patni, M.D. For 2015, Dr. Patni’s annual base salary was \$375,000, which was pro-rated based upon his employment commencement date. Dr. Patni’s annual base salary was increased to \$381,380, effective as of January 1, 2016. Under our cash bonus program, Dr. Patni is eligible to receive a target bonus of up to 40% of his base salary, which was pro-rated based upon his employment commencement date.

Jeffrey Knapp. For 2015, Mr. Knapp’s annual base salary was \$355,000. Mr. Knapp was not eligible to receive an annual bonus for 2015 as his employment terminated.

Cash Bonus Program

The cash bonus program compensation is a discretionary element of our compensation, subject to corporate achievement escalators, that links compensation to the achievement of corporate, project and individual goals. Each year, our Board of Directors approves the corporate goals and consults with the Compensation Committee to approve the other individual goals of the CEO and the other NEOs. Whether or not a bonus is paid for any year is solely within the discretion of the Board or Compensation Committee upon delegation by the Board. Accordingly, we do not consider these bonuses to be “Non-Equity Incentive Plan Compensation” within the meaning of applicable SEC rules.

Transaction Bonus Plan

Our Board of Directors adopted our Transaction Bonus Plan in 2012 to provide key employees with additional incentives in connection with our licensing agreement with Forest Laboratories, Inc., or Forest. Under the Transaction Bonus Plan, one percent of certain payments, or Covered Payments, that we received under the Forest license agreement are designated for award under the Transaction Bonus Plan, with aggregate payments not to exceed \$1,600,000. Covered Payments include both the initial licensing payment as well as milestone payments, but do not include royalty or certain other payments pursuant to the Forest license agreement.

Employees have been selected to participate in the Transaction Bonus Plan by our Board of Directors upon recommendation of our Chief Executive Officer. From time to time, our Board of Directors have allocated some or all of the available pool among eligible participants, designated as either fixed dollar amounts or as an allocation of the total pool. A participant was eligible to receive an allocation with respect to that Covered Payment if he or she (a) remained employed with us through the date the Transaction Bonus was paid, and (b) if required by our Board of Directors, signed a general release of claims within the designated timeframe.

We do not expect to receive any additional Covered Payments from Forest, nor to make payments of, future bonuses under the Transaction Bonus Plan.

2014 Equity Incentive Plan

Our Board of Directors adopted our 2014 Plan in February 2014, and our stockholders approved the 2014 Plan in March 2014. The 2014 Plan is the successor to our prior 2007 Plan. No further grants will be made under our 2007 Plan. Our 2014 Plan provides for the grant of ISOs to our employees and for the grant of NSOs, stock appreciation rights,

restricted stock awards, restricted stock unit awards, performance stock awards, performance cash awards, and other forms of equity compensation to our employees, directors, and consultants.

2014 Employee Stock Purchase Plan

Our Board of Directors adopted the 2014 Employee Stock Purchase Plan, or ESPP, in February 2014, and our stockholders approved the ESPP in March 2014. The purpose of the ESPP is to secure the services of new employees, to retain the services of existing employees and to provide incentives for such individuals to exert maximum efforts toward our success and that of our affiliates. The ESPP is intended to qualify as an “employee stock purchase plan” within the meaning of Section 423 of the Code.

2016 Inducement Plan

In March 2016, a majority of our independent directors approved the Company’s 2016 Inducement Plan, or the 2016 Inducement Plan, pursuant to which we may grant stock awards for up to a total of 450,000 shares of common stock to new employees of the Company. As of April 11, 2016, we had not granted any stock awards under the 2016 Inducement Plan.

401(k) plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to defer eligible compensation up to certain Code limits, which are updated annually. We have the ability to make matching and discretionary contributions to the 401(k) plan, but have not done so to date. Employee contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participants’ directions. Employees are immediately and fully vested in their own contributions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code, with the related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan are deductible by us when made, and contributions and earnings on those amounts are not taxable to the employees until withdrawn or distributed from the 401(k) plan.

Pension benefits

Our named executive officers did not participate in, or otherwise receive any benefits under, any pension or retirement plan sponsored by the Company during 2015.

Executive Severance Plan

Our Board of Directors adopted our Executive Severance Plan in 2014 to provide our executives with severance benefits in the event their employment with us terminates without cause or, in case of a termination of employment that occurs in connection with our undergoing a change in control, either without cause or for good reason. To be considered to have occurred in connection with our undergoing a change in control, the termination (or resignation) must occur at or within 12 months after our consummating the change in control.

To be eligible for benefits under our Executive Severance Plan, the executive must hold the title of Vice President or above on or within 90 days before the date of either the termination or the date of a change in control.

Benefits under the Executive Severance Plan include both a cash portion, determined by reference to monthly base salary, and eligibility for group medical coverage (COBRA). Additionally, if the triggering termination or resignation occurs in connection with a change in control, the cash portion of the severance is determined by reference to both base pay and target bonus, the executive’s equity awards that were outstanding at the time of the change in control will become fully vested and the post-termination period to exercise options will be extended up to the earlier of 12 months after the termination or the expiration date of the option.

[Table of Contents](#)

The amount and timing of cash severance payments and the duration of COBRA coverage are determined by the executive's title, length of service and whether the termination is in connection with a change in control. If the termination is not in connection with a change in control, cash severance is paid as salary continuation. If the termination is in connection with a change in control, cash severance is paid in a lump sum.

The following table set forth the cash severance and COBRA benefits under our Executive Severance Plan:

Title	<u>Other than in connection with a change in control</u>	<u>In connection with a change in control</u>		
	Cash Severance (multiple of monthly base pay)	COBRA Period (number of months)	Cash Severance (multiple of monthly base pay plus pro-rated target bonus)	COBRA Period (number of months)
Chief Executive Officer	12	12	18	18
All other participants	Lesser of nine or half the executive's full months of service	Same as length of salary continuation period	12	12

Under the Executive Severance Plan, participants are eligible for severance benefits if we or our successor terminates the executive's employment other than due to (i) the commission of or indictment for a felony, or a misdemeanor involving fraud or moral turpitude, (ii) an act which constitutes gross negligence, willful misconduct or insubordination in the course of employment, or (iii) the continued failure of the executive to perform the essential duties and responsibilities of his or her position, after having received notice of the deficiencies and having had 30 days to cure such defects in performance.

Under the Executive Severance Plan, participants are also eligible for severance benefits at or within 12 months following a change in control if the executive resigns for any of the following "good reasons": (i) a decrease in base salary or target bonus by more than 10% (other than a comparable decrease in compensation for all of our executives), (ii) a material decrease in the executive's duties or responsibilities (but excluding a change in title or reporting relationship), (iii) a relocation of the executive's primary work location by more than 50 miles, and (iv) our failure to obtain an agreement from our successor to continue this Executive Severance Plan, in each case without the executive's consent. In the case of items (ii) and (iii), the executive must provide us (or our successor) with notice within 30 days of the triggering event, and we (or our successor) will have 30 days thereafter to remedy the situation.

To receive benefits under the Executive Severance Plan, in addition to having a termination or resignation that qualifies for benefits, the executive will be required to execute a full release of claims in a form satisfactory to us, within certain designated timeframes. This release of claims may include certain post-employment restrictive covenants, including confidentiality and non-solicitation clauses.

Nonqualified deferred compensation

Our named executive officers did not participate in, or earn any benefits under, a nonqualified deferred compensation plan for the year ended December 31, 2015.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of February 15, 2016 by:

- each of our directors and named executive officers;
- all of our directors and executive officers as a group; and
- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, including options and warrants that are currently exercisable or exercisable within 60 days after February 15, 2016. Shares of our common stock issuable pursuant to stock options and warrants are deemed outstanding for computing the percentage of the person holding such options or warrants and the percentage of any group of which the person is a member but are not deemed outstanding for computing the percentage of any other person. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of common stock shown that they beneficially own, subject to community property laws where applicable. The information does not necessarily indicate beneficial ownership for any other purpose, including for purposes of Sections 13(d) and 13(g) of the Exchange Act.

Our calculation of the percentage of beneficial ownership is based on 21,404,834 shares of common stock outstanding as of February 15, 2016. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

ADDITIONAL INFORMATION

Householding of Proxy Materials

The SEC has adopted rules known as "householding" that permit companies and intermediaries (such as brokers) to deliver one set of proxy materials to multiple stockholders residing at the same address. This process enables us to reduce our printing and distribution costs, and reduce our environmental impact. Householding is available to both registered stockholders and beneficial owners of shares held in street name.

Registered Stockholders

If you are a registered stockholder and have consented to householding, then we will deliver or mail one set of our proxy materials, as applicable, for all registered stockholders residing at the same address. Your consent will continue unless you revoke it, which you may do at any time by providing notice to the Company's Corporate Secretary by telephone at 510-450-3500 or by mail at 1900 Powell Street, Suite 750 Emeryville, California 94608.

If you are a registered stockholder who has not consented to householding, then we will continue to deliver or mail copies of our proxy materials, as applicable, to each registered stockholder residing at the same address. You may elect to participate in householding and receive only one set of proxy materials for all registered stockholders residing at the same address by providing notice to the Company as described above.

Street Name Holders

Stockholders who hold their shares through a brokerage may elect to participate in householding, or revoke their consent to participate in householding, by contacting their respective brokers.

Annual Report

This proxy statement is accompanied by our 2015 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, or the Form 10-K. The Form 10-K includes our audited financial statements. We have filed the Form 10-K with the SEC, and it is available free of charge at the SEC's website at www.sec.gov and on our website at www.adamaspharma.com. In addition, upon written request to the Company's Corporate Secretary at 1900 Powell Street, Suite 750, Emeryville, California 94608, we will mail to you free of charge a paper copy of our Form 10-K, including the financial statements and the financial statement schedules.

Other Matters

As of the date of this proxy statement, our Board of Directors knows of no other matters that will be presented for consideration at the 2016 Annual Meeting other than the matters described in this proxy statement. If other matters are properly brought before the 2016 Annual Meeting, then proxies will be voted in accordance with the recommendation of the Board of Directors or, in the absence of such a recommendation, in accordance with the best judgment of the proxy holder.
